

Basic Probability Workshop

**What's the probability of rolling two dice
and rolling two six's?**

**What's the probability of winning a
blackjack game?**

Do the problems above make you nervous?!
If so, this workshop is for you!

Come learn some secrets on making
probability easier!

Date: Tuesday, October 12, 2010

Location: IRC, Room 132

Time: 3:30 pm – 5:00 pm

**Please call Bernadette Roa at
732-906-2532 to RSVP, Space is limited**
